

## **NOVRA ANNOUNCES STOCK OPTION GRANT**

**Winnipeg, MB – (Marketwired – May 11, 2017):** Novra Technologies Inc. (“Novra”) (TSX-V: NVI) today announced that the TSX-V has formally approved Novra’s 2017 Stock Option Plan (“2017 Plan”) on May 9, 2017. This 2017 Plan replaces and terminates the former stock option plan. There were no options currently outstanding under the former plan. Novra has reserved up to 2,900,00 options to grant under the 2017 Plan. The adoption of this new 2017 Plan is part of Novra’s overall compensation strategy to promote an alignment of interests from directors, executive officers and employees with those of Novra shareholders, as well as to aid in recruiting and retaining key employees.

Today, under the 2017 Plan, Novra granted 600,000 options to directors and executive officers, representing approximately 2% of Novra’s total issued and outstanding common shares. The exercise price for these options is \$0.12 per share. These options will expire in seven years and will vest as follows:

- 20% on June 30, 2017;
- 20% on December 31, 2017;
- 20% on December 31, 2018;
- 20% on December 31, 2019; and
- 20% on December 31, 2020.
